Thousands of Eggs Dropped from a Helicopter

PRINCE GEORGE – Prize-packed eggs will fall from the sky at the largest Easter egg hunt in the Tri-Cities on Saturday, April 23 at 10:30 a.m. A helicopter will be dropping tens of thousands of Easter eggs on to the driving range of Swaders Sports Park to kick off the Easter Eggstravaganza.

The free event, hosted by Destination Church, will take place on and around the driving range at Swaders Sports Park. The event will include inflatables, face painting, giveaways, refreshments, music and of course, the Easter Bunny, who will arrive by helicopter. Prizes will be plentiful and range from new bikes to video gaming systems.

Bryan Briggs, lead pastor at Destination Church, believes the uniqueness of the event will be a refreshing experience for egg-hunters. “This is not your typical Easter egg hunt. Being new to the community, we wanted to reach out and welcome area families with a fresh take on family fun and fellowship,” said Briggs.

After the main event, the hunt will continue with special eggs hidden throughout the park containing Swaders gift cards, coupons and candy.

Swaders is a family-friendly sports park located 20 minutes south of downtown Richmond. Park attractions include go-karts, laser tag, mini golf, a golf driving range, batting cages, over 70 arcade games and an indoor play area. For more information on Swaders, visit www.swaders.com.

Destination Church is a casual, contemporary, Christian church that launched in February by church planter, Bryan Briggs.
