Swaders Growth Prompts Promotion

PRINCE GEORGE - Swaders Sports Park, a family-friendly sports park in Prince George, VA, recently promoted Candice Corrigan to Corporate and Group Sales Associate. She has been employed at the sports park for over three years as a birthday party hostess. She has gained the experience necessary for this position by her planning and conducting of children's birthday parties at the park, as well as overseeing other park activities.

"Because of the recent influx of group and corporate functions at the park, we developed a need for an associate to assist our Corporate and Group Sales Manager, JoAnna Korkos, with planning these events. We have watched Candice mature over the years and believe that she has the experience and charisma it takes to handle the job responsibilities," said Ken Swader, Director of Operations for the sports park.

Candice Corrigan, the new Corporate and Group Sales Associate at Swaders

Candice is a 2009 graduate of Colonial Heights High School. She is currently a sophomore at Virginia Commonwealth University and a student in the Honors College. She plans to pursue a Bachelor's Degree in Sociology and possibly Mass Communications with a Public Relations concentration.

As a Corporate and Group Sales Associate, her duties will include assisting with the marketing and public relations functions of the sports park, as well as assisting customers with their corporate and group needs.
